Introduction

INTRODUCTION

Legal basis

1. In line with Commission on Audit (COA) Memorandum No. 92-780, dated 21 September 1992, as amended under COA Memoranda Nos. 2010-012 and 2012-005, dated 06 April 2010 and 20 April 2012, respectively, the Commission, thru its Corporate Government Sector (CGS), submits to the Office of the President of the Philippines and the Congress the consolidated Report on Salaries and Allowances (ROSA) received by: a) Principal officers and members of governing boards of government-owned or controlled corporations/government financial institutions (GOCCs/GFIs) and their subsidiaries; and, b) Secretaries, Undersecretaries and Assistant Secretaries and other officials of equivalent rank of national government agencies (NGAs).
2. Beginning with CY 2011 the following changes to the ROSA are adopted, pursuant to COA Memorandum No. 2012-005, dated 20 April 2012: (1) Deletion/non-inclusion of the intelligence and confidential funds as these are incurred for the maintenance of peace and order and other home defense programs and activities, consequently, these do not accrue to the personal benefit of the public official concerned and the same are governed by separate and specific COA Circulars/Memoranda; (2) Definition and description of the allowances/benefits and related governing laws, rules and regulations authorizing the grant of the same which would serve as guide to the field auditors in the compilation of needed data; and (3) Presentation of Extraordinary and Miscellaneous Expense (EME) as a separate item after the sub-total for salaries, allowances and benefits.
3. The publication of this report complements the present thrust of the government for transparency in its transactions and operations. Thus, auditing units assigned to GOCCs, GFIs and NGAs are required to annually submit, pursuant to the aforementioned regulations, data on the salaries, allowances and other benefits granted to its top three officials during the year. Worthy of emphasis is the inclusion of the "nil" data as to the amounts of emoluments received by some government officials who rendered services during the year but received no compensation therefore. Presentation thereof is in line with the requirements as provided for under the 3rd paragraph of COA Memorandum No. 92-780, thus: "If the principal officers, members of the governing board, Secretary, Undersecretary or Assistant Secretary did not receive any salary and/or allowance during the year, the name just the same should be included in the list but should be so identified as not having received such salary and/or allowance for that year".

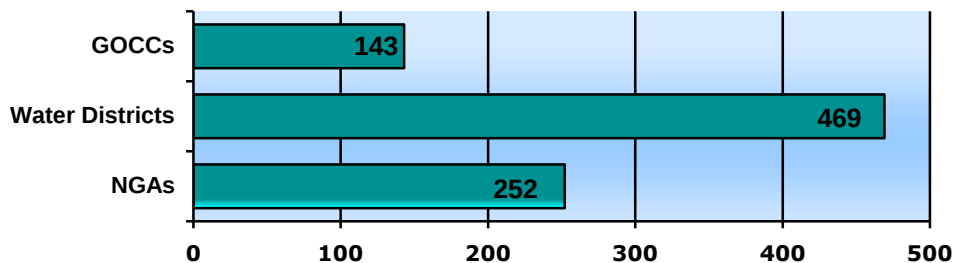

The report's objectives

4. The report aims to promote transparency in government, through the effective monitoring of the annual salaries and allowances received by government officials holding multiple positions as well as determine the total amount of emoluments and benefits received by them from the different government agencies/instrumentalities with which they were affiliated.

Structure and contents

5. The General Appropriations Law and other sources showed a total of 901 government offices, whose data on salaries, allowances and benefits were expected to be incorporated herein. These reports pertain to government agencies/instrumentalities comprised of 631 GOCCs (inclusive of 471 water districts) and 270 NGAs.
6. Featured herein are the reports from 864 government agencies/instrumentalities representing 95.89 percent of the 901 expected reports. The summary thereof is depicted in the diagram below.

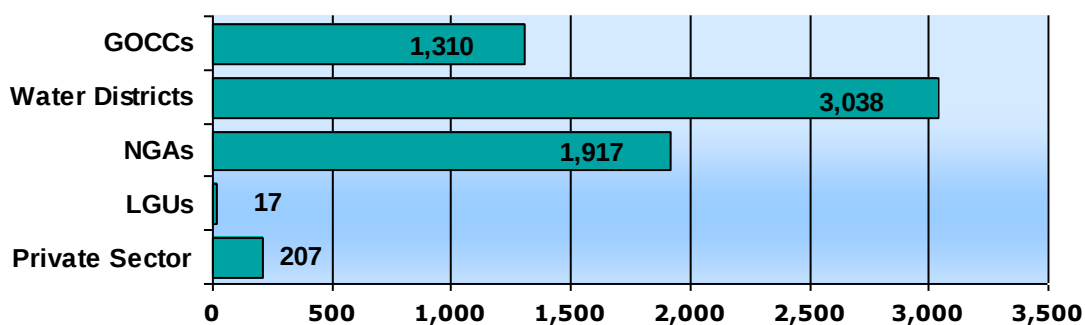

Summary of GOCCs and NGAs included in this report

7. The data from 37 government agencies/instrumentalities (17 GOCCs, 2 water districts and 18 NGAs) are not included in the consolidation/summarization as the pertinent information thereon remained unsubmitted as of the cut-off date of 14 August 2012. Annex A presents the details thereof. It bears emphasis that the 17 GOCCs with no 2011 reports are non-operational. Their inclusion herein is deemed proper as the respective members of the board are considered still in the service until the dissolution of the GOCC.
8. A total of 6,489 government officials from the 864 government agencies/instrumentalities comprise the CY 2011 Report on Salaries and Allowances. This total consists of 1,310 officials and members of the governing boards of GOCCs and GFIs; 3,038 officials and governing board members affiliated with water districts; 1,917 officials of different NGAs; 17 officials are from Local Government

Units (LGUs); while 207 are private sector representatives with no data as to their mother units. Following is a graphic presentation on the distribution of the government officials included in the report.

Distribution of government officials comprising the ROSA

9. Private Sector representatives refer to the officials/officers from private companies, associations and private individuals that are affiliated with government agencies/instrumentalities. Annex B provides the list of private sector representatives and their respective position(s) held.
10. Annex C is the list of local government officials appointed as members of the board of various GOCCs.
11. For brevity and to facilitate identification, acronyms of the various government agencies were used in the report. Spelled out in Annex D are the government agencies and the corresponding acronyms used.
12. The data submitted by the field auditors from the various government agencies were categorized into seven (7) major nomenclatures as follows:
 - a. Basic salary;
 - b. Personnel economic relief allowance/additional compensation;
 - c. Allowances;
 - d. Bonus, incentives and benefits;
 - e. Extraordinary and miscellaneous expenses; and
 - f. Other allowances.
13. To facilitate presentation, the various nomenclatures used in the data submitted by the field auditors were classified according to their similarity as to the nature of expenditures in line with the Chart of Accounts of the New Government Accounting System (NGAS). Presented in Annex E is the composition of the major categories of the allowances, bonus, incentives and benefits as well as other allowances received by the government officials as presented in Part V hereof.
